Re: *David D. Peterson v. Linear Controls, Inc.*: No. 18-1401; Unopposed request to delay distribution of Peterson's petition for writ of certiorari from April 8, 2020, until May 19, 2020, for Linear Controls, Inc. to file a supplemental brief in response to the Solicitor General's amicus brief.

Dear Mr. Harris:

On October 15, 2019, the Court invited the Solicitor General to file in case No. 18-1401 a brief expressing the views of the United States. On March 20, 2020, the Solicitor General submitted a brief for the United States as amicus curiae in case No. 18-1401. Consistent with Supreme Court Rule 15.8, Linear Controls, Incorporated will file a supplemental brief in response to the Solicitor General's amicus brief.

As a result of the ongoing public health concerns relating to COVID-19 and consistent with Supreme Court Order No. 589, Linear Controls respectfully requests the Court delay distribution of David D. Peterson's petition for writ of certiorari from April 8, 2019, until May 19, 2019, so Linear Controls may prepare and file its supplemental brief in response to the Solicitor General's amicus brief by the distribution date.

The Petitioner consents to the requested extension. Further, while Linear Controls does not anticipate requesting any further extension, Petitioner's counsel has requested I represent to the Court that Petitioner will oppose any further extension.

Respectfully submitted,
